

## Our Offer

Our business operations and work in the school and office market for over sixteen years have enabled us to get to know the Customer's needs and requirements. On that foundation we have created a reliable offer of our products, including those of the highest quality and with a very competitive price.

Also, in addition to our wide-range assortment offer, we have taken care to ensure other favourable cooperation conditions with the Customer, among other things by:

- making available a free printed and CD catalogue including 3500 items;
- offering very competitive prices;
- quick handling of your orders;
- promotional offers, e.g. issuing promo brochures;
- favourable payment terms;
- goods on special order;
- free-of-charge transport throughout the country;
- other services, e.g. making overprints on calendars, ballpoints, envelopes;
